OFC 2028 TERMS AND CONDITIONS

Read Carefully — Avoid Misunderstandings

The Optical Fiber Communication Conference (OFC) is sponsored and managed by Optica, IEEE Communications Society and IEEE Photonics Society (hereafter collectively referred to as "Management"). These Terms and Conditions shall apply to an Exhibitor or Sponsor of the event (hereafter collectively referred to as "Exhibitor/Sponsor").

PURPOSE OF THE EXHIBIT: To disseminate knowledge and promote the development and application of optics. The comprehensive technical exhibition introduces new products and services to the market and educates individuals in these areas about these new technologies. Only Exhibitors whose materials are related to those purposes will be allowed to maintain displays. Management reserves the right to determine whether Exhibitor's materials relate to the purpose of the event.

ACCEPTANCE AND ASSIGNMENT OF EXHIBIT SPACE: Assignment of space is final. A space may be revoked or changed by Management at any time if payment in full has not been received. Assignment of space will be determined by Management on-site based on the earliest date on which a contract accompanied by full payment is received by Management. Management retains the exclusive right to revise the exhibition floor plan and/or move assigned Exhibitors as necessary.

ASSIGNMENT, MERGERS AND ACQUISITIONS: Exhibitor/Sponsor obligations under this agreement, including payment obligations, may not be assigned to a third party without the prior written permission of Management. For the avoidance of doubt, in the event that Exhibitor/Sponsor acquires, is acquired by, or merges with a third party, Exhibitor/Sponsor shall remain liable for full payment of fees under this agreement, regardless of whether the third party has entered into its own agreement.

ARRANGEMENT OF EXHIBITS: Management follows the International Association of Exhibitions and Events (IAEE) Guidelines. Booths include standard drapery, one identification sign, one technical badge per 100 square feet or tabletop occupied, two Exhibitor personnel badges, and one complimentary listing. Unless provided by the facility, the floor space for all booths must be carpeted or professionally covered in another manner, with the cost of this covering being the responsibility of the Exhibitor. If such floor covering has not been arranged by the Exhibitor prior to the conclusion of move-in, Management reserves the right to order carpeting at the Exhibitor's expense. Exhibitors who choose to build double-decker booths must notify Management 60 days prior to the event's first move-in date.

TRADEMARKS: Exhibitor/Sponsor hereby grants to Management during the term of this Agreement a limited, revocable, non-exclusive, non-sub licensable, nontransferable, worldwide, royalty-free license to use and display Exhibitor's/Sponsor's name, logo, and trademarks to fulfill Management's obligations in this Agreement and for promotional, marketing, and such other purposes. Exhibitor/Sponsor shall have the right to mention, promote, and feature its exhibit or sponsorship of the event in its marketing, advertising and promotional materials and corporate communications. To this extent, Management agrees to provide Exhibitor/Sponsor a limited, revocable, non-exclusive, non-sublicensable, nontransferable, worldwide, royalty-free license to use and display Management's name, logo, or trademarks, as provided by Management, in accordance with Management's logo and trademark usage guidelines. The licenses provided by the Parties to each other shall terminate upon the conclusion of the event or upon termination of this Agreement, whichever is sooner.

EXHIBITOR SERVICES: Management has designated official exhibition contractors as outlined in the Exhibitor's Service manual. Services for these and other contractors will be available and charged at the then-current rates by the contractor directly to the Exhibitor. Management assumes no responsibility or liability for such contractors. Exhibitors wishing to use Exhibitor Appointed Contractors (EACs) for non-exclusive services must follow proper application procedures, as outlined in the Exhibitor Service Manual. Exhibitor must use qualified union personnel for material handling, installing and dismantling exhibits, and other services as required by the Facility's rules and regulations. Applicable union regulations for the Facility will be provided in the Exhibitor Service Manual.

COMPLIANCE WITH LAWS, RULES, AND SAFETY PRECAUTIONS: Exhibitor/Sponsor is responsible for compliance with all federal, state, and local laws, regulations, orders, and requirements applicable to participation in the Event, as well as all Facility and Management rules and regulations, including staff compliance with Exhibit Code of Conduct. Exhibitor is responsible for obtaining any licenses and permits necessary for its exhibit. Exhibitor shall take all necessary measures to safeguard persons and property in the Facility from any hazards associated with Exhibitor's exhibit equipment. Exhibitor shall comply with applicable industry safety standards, including but not limited to the following: Center for Devices and Radiological Health's Federal Laser Product Performance Standard (21CFR1040), the American National Standards Institute (ANSI) Standard Z-136.1-2007 on Safe Use of Lasers (or, alternatively, the American Conference on Governmental Industrial Hygienists (ACGIH) Guide for Control of Laser Hazards) in the operation of all coherent sources during the Event. Exhibitor agrees that it will immediately remedy any condition of its exhibit space if notified by Management that the space is unsatisfactory for any reason. Failure to do so may result in cancellation of the Exhibitor's exhibit space.

COMPLIANCE WITH TRADE REGULATIONS AND SANCTIONS: The Exhibitor/Sponsor understands and agrees that the Exhibitor's/Sponsor's participation is subject to compliance with US export control laws and executive orders, including the Export Control Act of 2018, Export Administration Regulations, International Traffic in Arms Regulations and the sanctions programs administered by the U.S. Office of Foreign Assets Control. Exhibitor/Sponsor represents that their participation shall not violate any such laws or orders. Management reserves the right to terminate this contract in the event this contract is or becomes unlawful, inadvisable or against US public policy due to the imposition of US trade regulations or sanctions.

INSTALLATION AND DISMANTLING OF EXHIBITS: Exhibitor will not be allowed to set up, nor will freight or furnishings be delivered to the Exhibitor's booth until Management receives the full payment. Exhibitors must comply with all move-in and move-out requirements as set forth in the Exhibitor Service Manual. Exhibitor agrees that if Management should receive, handle, or have in its care or custody Exhibitor's property of any kind, Management is authorized to act solely for the accommodation of Exhibitor, and Management shall not be liable for any loss, damage, or injury to such property.

EXHIBIT RESTRICTIONS: Exhibitor activities shall be restricted to the Exhibitor's booth space only. Management reserves the right to restrict, reject, prohibit, or eject any exhibit, in whole or in part, which becomes objectionable due to noise, safety hazards, or other reasons. Management reserves the right to deny access to the event or eject any person whose behavior becomes objectionable or inconsistent with the Code of Conduct. In the event of any such occurrence, no refunds will be issued. Sanctions for noncompliance with Management's rules and regulations may result in forfeiture of all fees paid and ineligibility to exhibit at or attend any future events.

SUBLEASING EXHIBIT SPACE: Exhibitor shall not sublet exhibit space, in whole or in part, nor exhibit any products or services other than those manufactured or handled in Exhibitor's normal course of business, nor permit any third party to solicit business in Exhibitor's space. Sharing of exhibit space among multiple companies shall require advance written permission from Management.

COMPETING EVENTS: Exhibitor/Sponsor shall not conduct any competing event of more than 25 people during, immediately before or immediately after the Event without Management's prior written approval, which may or may not be given in Management's sole discretion.

ADVERTISING MATTER: Management reserves the right to prohibit distribution of souvenirs, advertising matter, or any other materials. Distribution from anywhere other than within the Exhibitor's booth is forbidden.

MUSIC: Exhibitor must be prepared to provide proof of Broadcast Music Industry (BMI), American Society of Composers & Performers (ASCAP), Society of European Stage Authors and Composers (SESAC), or other appropriate licenses for Exhibitor's use of music, including in video presentations. Exhibitors using such music agree to indemnify and hold harmless Management against any claims, liability or damages resulting from their use of such music.

FOOD AND ALCOHOL: The exclusive provider of food, beverage, and catering services within the Facility will be listed in the Exhibitor Service Manual. Any Exhibitor offering alcoholic beverages at any event held in conjunction with the Event must (i) carry a minimum of two million dollars (\$2,000,000.00) in liquor liability insurance during the event and (ii) comply with all Facility rules and requirements as well as the Management alcohol policy, which may be obtained from Management upon request.

AMERICANS WITH DISABILITIES ACT (ADA): Exhibitor is solely responsible for ensuring that its booth fully complies with the ADA.

EXHIBITOR/SPONSOR PERSONNEL: Exhibitor must have staff present at the exhibit space during all contracted hours. Exhibitor/Sponsor personnel shall conduct themselves professionally at all times. All Exhibitor/Sponsor Personnel must be dressed appropriately to conduct business. Inappropriate attire includes, but is not limited to, sexually suggestive or obscene outfits or costumes unrelated to the topic of the event.

PHOTOGRAPHY AND VIDEO RECORDING: Neither photography nor video recording is permitted in the Facility without Management's express, prior written consent. Sanctions for noncompliance may include the seizure and destruction of film or electronic storage devices.

SOUND LEVELS: Presentation sound levels must be kept at or below 85 decibels and should not interfere with surrounding exhibits.

CHILDREN: In the interest of safety, no person under 18 years of age will be allowed on the show floor during set-up and tear-down hours. During open exhibit hours, children 12 years old and under must be accompanied by a supervising adult at all times. Parents of younger children may request an exemption from Management in the event of extraordinary circumstances. Parents or guardians must agree to abide by Management's rules regarding children and to be responsible for the child, assuming all responsibility for any damage to exhibits and equipment. Strollers are not allowed on the show floor at any time.

FORCE MAJEURE: Management may terminate or suspend its obligations under this Agreement if such obligations are delayed, prevented, or rendered impracticable by force majeure events, which include but are not limited to the events listed below, within six (6) months prior to the sponsored event, to the extent that such force majeure events are beyond Management's reasonable control: fire; flood; earthquake; environmental disasters; civil commotion; terrorism; threats of terrorism; pandemic; epidemic; travel, gathering capacity or social distancing restrictions or recommendations issued by a governmental agency or health organization such as the World Health Organization or US Center for Disease Control; insurrection; act of god; labor disputes; curtailment of local, national, or international transportation facilities or services with a significant impact on domestic and/or international travel; economic factors that would make it impracticable to hold the sponsored event as scheduled; in the event, for whatever reason(s), that fifty (50) percent or more of the anticipated attendees are prevented or unreasonably delayed from attending the Event as scheduled; any law, ordinance, rule or regulation which becomes effective after the date of the execution of this Agreement, which may adversely affect attendance at the Event; or other exigent circumstance or emergency making it impractical, inadvisable, illegal or impossible to hold the Event. In such an event, Exhibitor/Sponsor hereby waives any and all damages and claims for damages and agrees that the sole liability of Management of the Event shall not be refunded to Exhibitor/Sponsor.

INSURANCE: Exhibitor shall carry adequate insurance to protect itself against bodily injury (including death) and property damage claims arising from Exhibitor's participation in the Event including but not limited to (i) worker's compensation as required by law and (ii) commercial general liability insurance in such amounts as are adequate, but in no event less than two million U.S. dollars (USD 2,000,000.00) combined single limit for both bodily injury and property damage. Said insurance shall: 1) name as additional insureds the Event, Management, the appointed General Service Contractors and the facility in which the conference takes place, including each of their respective members, officers, directors, agents, employees and affiliates (collectively the "Exhibit Parties"); 2) shall contain an endorsement that such policy shall remain in full force and effect notwithstanding that the insured has waived its right of action against any party prior to the occurrence of a loss; 3) shall require the insurer to waive all rights of subrogation against the Exhibit Parties; and 4) shall include a provision for notification to Management at least thirty (30) days prior to cancellation. Exhibitor shall furnish Management with a Certificate of Insurance verifying such coverage 30 days prior to the Event.

DISCLAIMER OF WARRANTIES: The express terms of this Agreement are in lieu of all warranties, conditions, undertakings, terms and obligations implied by statute, common law, trade usage, course of dealing or otherwise, including but not limited to any implied warranties of merchantability or fitness for any particular purpose, all of which are hereby excluded to the fullest extent permitted by law.

DAMAGE TO FACILITY: Exhibitor/Sponsor shall be solely responsible for any and all damage to the Facility caused by Exhibitor/Sponsor, its contractors, any company attending pursuant to a Booth Share or their respective officers, directors, employees, representatives, servants, agents, invitees, licensees, or subcontractors.

INDEMNIFICATION: Each Party agrees to defend, indemnify, and hold harmless the other party and the other party's officers, employees and agents from and against all demands, claims, actions, penalties, judgments, and liabilities caused by: 1) its own negligent act or omission, intentional misconduct or breach of this Agreement; or 2) the negligent act or omission, intentional misconduct or breach of this Agreement its officers, employees or agents. The Parties agree that this provision shall survive the expiration or termination of this Agreement.

LIMITATION OF LIABILITY, ASSUMPTION OF RISK & WAIVER: Exhibitor/Sponsor agrees that the liability of Management under this agreement shall not exceed the amount of fees paid by Exhibitor/Sponsor. In no event shall Management be liable for any indirect, consequential, punitive, or incidental damages, even if advised of the possibility of such damages. To the extent allowed by law, no claim may be brought against Management beyond one (1) year after the conclusion of the Event. Exhibitor acknowledges that neither Management nor the Facility carry insurance coverage for Exhibitor's property. Exhibitor is solely responsible for the security of its property and the property of others under its control. Exhibitor/Sponsor agrees to bear all risk of any bodily injury (including death) or property damage or loss which the Exhibitor/Sponsor might sustain as a result of participation in the Event. Exhibitor/Sponsor hereby waives any and all rights of recovery, refund, or compensation for bodily injury (including death) or property damage against Management and the Facility, and their respective officers, directors, employees, and agents based upon or arising out of Exhibitor/Sponsor's participation in the Event, except such losses as may be the result of the sole gross negligence or willful misconduct of the aforementioned parties.

JURISDICTION AND VENUE: This Contract shall be exclusively governed by, and construed and enforced in accordance with, the laws of the state of New York without reference to its choice of law doctrine. Exhibitor/Sponsor agrees that the sole jurisdiction and venue for any litigation arising from or relating to this Contract shall be an appropriate federal or state court located in the District of Columbia. Exhibitor/Sponsor hereby waives trial by jury in any action, proceeding, or counterclaim brought by or against Management with respect to this Contract. Management shall be entitled to recover from Exhibitor/Sponsor all costs (including attorney's fees) from any suit brought by Management to enforce Management's rights herein.

NOTICES: Exhibitor/Sponsor agrees to notify Management immediately if it (i) becomes insolvent; (ii) files or anticipates filing a petition for voluntary bankruptcy, reorganization, insolvency or similar action; (iii) if Exhibitor/Sponsor has filed against it an involuntary petition in bankruptcy or a receiver or trustee is appointed to take possession of Exhibitor's/Sponsor's property; or (iv) dissolution of Exhibitor/Sponsor voluntarily, involuntarily or by operation of law. Upon receipt of such notice, Management shall have the right, in its discretion, to terminate this Contract, in which case Exhibitor/Sponsor shall be subject to cancellation fees as indicated in the Cancellations provision.

Any notice or communication required or permitted by this Agreement to be given to a Party shall be in writing and shall be deemed given: (i) if delivered personally or by commercial messenger or courier service; (ii) if mailed by registered or certified mail (with return receipt confirming delivery); or (iii) if sent via email with a return receipt requested. Neither party has any right nor authority to assume or to create any obligation or responsibility on behalf of the other party except as otherwise provided herein. The parties agree that all rights and obligations provided in this Agreement that do not expressly terminate pursuant to this Agreement shall survive beyond the term of this Contract and shall remain in full force and effect in perpetuity. This Contract represents the entire agreement of the parties and supersedes any other understanding of the parties concerning the subject matter herein. This Contract may be modified only with the signed written consent of Management.
