

Technical Conference: 07 – 11 Mar 2027
Exhibition: 09 – 11 Mar 2027
Los Angeles Convention Center
Los Angeles, California, USA

15 September 2026

OFFICIAL NOTICE: Exhibitor Appointed Contractor (EAC) Notification

This notice serves as formal communication to all OFC exhibitors, vendors, and affiliated partners.

Effective immediately, the following companies are prohibited from performing any work, services, or activities of any kind at the OFC Conference, including within all OFC-managed facilities and exhibit halls:

- Mountain Expo
- Tongyi Culture and Creative Co. Ltd.

These companies—along with any subsidiaries, subcontractors, or personnel operating under their direction or branding—are not authorized to engage in installation, dismantling, labor services, freight handling, booth construction, or any other exhibitor-related operations. Any attempt by the companies listed above to access the exhibit floor or perform work must be reported immediately to OFC Show Management.

Exhibitors are responsible for ensuring their appointed contractors comply with OFC regulations and that information provided by their partners, EACs, and vendors is valid and correct. Fraudulent or incorrect information is subject to penalty and could result in the removal of companies without complete and accurate information.

All OFC exhibitors are required to submit their designated EAC information and a valid Certificate of Insurance (COI) for each contractor through the official EAC & COI Approval Portal. To access the EAC portal, please visit the OFC Exhibitor Service Center www.ofcconference.org/exhibitor-service-center

Thank you for your cooperation in maintaining a safe, compliant, and professionally managed event environment.
